## USDA RURAL DEVELOPMENT ANNOUNCES FUNDING FOR CITY OF WINNSBORO

**WINNSBORO, TEXAS, June 12, 2006--** USDA Rural Development State Director, Bryan Daniel, today announced the City of Winnsboro has received a \$99,900 Rural Business Enterprise Grant (RBEG) to establish a revolving loan fund.

“The injection of funds into the area will be used to provide loan guarantees to new and expanding businesses within the City of Winnsboro and will create at least one job for every \$15,000 invested,” said Daniel. “I am very pleased that Texas USDA Rural Development is able to assist the City of Winnsboro.”

In Fiscal Year 2005, Texas USDA Rural Development obligated over \$1.3 million in Rural Business Enterprise Grants. Potential businesses in rural communities interested in the RBEG Program must employ 50 or fewer new employees and have less than \$1 million in gross annual revenues. Public bodies and not-for-profit entities including federally recognized Indian Tribes located in rural areas or in communities below 50,000 in population are eligible for the RBEG Program. Priority is given to applicants from communities of 25,000 or less.

USDA Rural Development strives to see that rural citizens can participate fully in the global economy by providing technical assistance, funding, and other programs that help rural Americans build strong economies to improve their quality of life. For further information regarding USDA Rural Development Programs, contact the Canton Local Office at (903) 567-6051, Extension 4, or visit our website at <http://rurdev.usda.gov/tx/>.
